PERMANENT COOLING PERFORMANCE

Blending innovation and function incorporating **COOLMAX® ALL SEASON** technology. This innovative product transports moisture away from your horse's skin to the surface of the fabric, where it evaporates quickly, keeping your horse cool and dry when it's warm. The fibres shape offers lightweight warmth when it's cool.

MOISTURE WICKING

BREATHABLE FABRIC

CARE INSTRUCTIONS

- Remove dried sweat & hair using a curry comb or rubber sweat scraper
- Treat stains with an appropriate stain removing product if needed
- Use a small amount of non-bio detergent (*don't use too much as residue can cause skin irritation for your horse*)
- Do not soak
- Do not use bleach or detergent containing bleaching or fluorescence agent
- Machine wash on a cool (30°) gentle cycle
- Reshape the pad following the wash cycle
- Dry flat
- Do not tumble dry
- Do not iron
- Do not dry clean
